Final Call for EdChoice Renewal or Request Applications

Although the Ohio Department of Education's deadline for the completion of all EdChoice renewals and requests for 2019-2020 is April 30, St. Augustine School's **deadline is Thursday, April 18.** We know that if we have your renewal or request applications by that date, we will have enough time to enter them online. If you submit your renewal or request applications after that deadline, we will try but will not guarantee that the application will be entered. This might result in the loss of the scholarship.

If your child has an EdChoice expansion scholarship or you wish to apply for one, you must submit your application and documentation, including income verification, by April 18. ***There will be no summer application period for EdChoice expansion scholarships.***
