Barberton High School Scheduling

Eighth graders planning to attend Barberton High School will plan their schedules on Monday, May 13, at 1:45 PM in the school cafeteria. Guidance counselors from BHS will be present to answer questions and help students with course selection. Parents are welcome to attend.

Enrollment for 2019-2020

We are reaching capacity in many grade levels for next school year. We cannot accept any more students in sixth, seventh, and eighth grade. Our kindergarten, first, and fifth grade have just a few openings, while we can accept students in second and third as we have plenty of space. Fourth grade is full and students can be placed on a waiting list at this point. If you know of anyone looking for a new school for 2019-2020, please share this information with them. There will be summer application for traditional EdChoice scholarships; EdChoice expansion scholarships are not available this summer.

Fourth Quarter Report Cards

Fourth quarter report cards will be mailed to parents in early June. Please make sure that St. Augustine School has your most recent address so that your child's report card is mailed to the correct address. Also make sure that your tuition account is paid in full or other suitable arrangements have been made with the parish business manager, Denise Moore. She can be contacted at (330) 745-0011 extension 13.

Field Day on Friday, May 17

On Friday, May 17, the students will enjoy field day. Age-appropriate games and activities will take place, along with a picnic lunch. But we need your help! Please indicate on the enclosed form if you can help with field day by running a game. You certainly can commit to 8:30 to 11:30 AM or 11:30 AM to 2:30 PM if you cannot help all day.

Barberton Library Visit

The children's librarian from Barberton Public Library will visit our kindergarten through third graders on Tuesday, May 21, at 11:00 AM to share information about their summer reading program.
