End of the Year Awards Prayer Service

Please join us on Wednesday, May 29, at 1:30 PM for our end of the school year awards prayer service. Christian leadership awards will be given during the prayer service.

Summer and School-Year Latchkey Program at St. Augustine Preschool

If your child requires adult supervision on no-school days and before and/or after school, please consider St. Augustine Preschool's summer and school-year latchkey program. Students have time for play and homework (during the school year). St. Augustine Preschool, a Step-Up to Quality rated childcare center, is open from 6:30 AM to 6:00 PM for your convenience. Please contact Kathleen Bogdan, preschool director, at (330) 745-5735 for more information or to register.

School Safety Evacuation Drill

At some point in the upcoming days, the students and staff of St. Augustine School will participate in an evacuation drill to practice leaving the school and school grounds in a rapid but safe manner. Older students will be presented with a scenario, which they will know in advance to be just practice, while the younger students will only be directed to evacuate the building and go to our meeting place. The Barberton Police Department will be assisting us with this drill. These evacuation drills allow the students to practice leaving the building for situations like a gas leak or an intruder so that they are prepared, much as they are prepared in the unlikely event of a fire or tornado.
